*Please preregister online at **kilaueapottery.com**, or call 731-6614, or visit them at 46 Waianuenue Ave.*

ALBATROSS

Mokupāpapa Discovery Center and Kilauea Pottery present our series of monthly family craft nights. This month we will be color glazing a custom clay figurine of aỹ Albatross and her chick. We are going to be learning about these large and beautiful birds that live on the ocean, but nest in the Papahānaumokuākea Marine National Monument.

Sign up early due to a limited supply of figurines.
