

Community Announcement

March 15, 2023

Northwestern Hawaiian Islands Coral Reef Ecosystem Reserve Advisory Council (in-person with remote option) meeting scheduled for April 19, 2023 at the Daniel K. Inouye Regional Center. The public is invited to attend virtually.

WHAT: NWHI CRER Advisory Council Meeting

WHEN: Wednesday, April 19, 2023

10 a.m. – 2 p.m. HST

Public Comment: 1:15 p.m.

WHERE: Virtual via Google Meet (in-person option limited to council members)

REGISTER: Members of the public interested in attending or providing public comment should fill out the [registration form](#) via the link below to receive the Google Meet information - <https://forms.gle/aLEozSwEYn1Fqb326>

WHO: Twenty-five advisory council members representing broad stakeholder constituencies, including Native Hawaiian, research, conservation, commercial and recreational fishing, ocean-related tourism, education, and state and federal agencies. The Reserve Advisory Council is an advisory body to NOAA's Office of National Marine Sanctuaries.

Established in 2000, the Northwestern Hawaiian Islands Coral Reef Ecosystem Reserve Advisory Council provides advice and recommendations on managing and protecting the reserve. Serving in a volunteer capacity, the council members represent a variety of local user groups, as well as the general public.

NOAA's mission is to understand and predict changes in the Earth's environment, from the depths of the ocean to the surface of the sun, and to conserve and manage our coastal and marine resources. Join us on [Twitter](#), [Facebook](#), [Instagram](#) and our other [social media channels](#).
