

Papahānaumokuākea Marine National Monument Permit Application Cover Sheet

This Permit Application Cover Sheet is intended to provide summary information and status to the public on permit applications for activities proposed to be conducted in the Papahānaumokuākea Marine National Monument. While a permit application has been received, it has not been fully reviewed nor approved by the Monument Management Board to date. The Monument permit process also ensures that all environmental reviews are conducted prior to the issuance of a Monument permit.

Summary Information

Applicant Name: Daniel Leonard Paull

Affiliation: American Citizen

Permit Category: Recreation

Proposed Activity Dates: July 20 -July25, 2010

Proposed Method of Entry (Vessel/Plane): Sailing Vessel "Noomi"

Proposed Locations: Midway

Estimated number of individuals (including Applicant) to be covered under this permit: 3

Estimated number of days in the Monument: 5

Description of proposed activities: (complete these sentences):

a.) The proposed activity would...
be to stop at Midway Island to rest, obtain fresh water, and if possible, purchase diesel fuel while sailing between Apia, Samoa and Seattle, Washington.

b.) To accomplish this activity we would
sail the 40 foot sailboat, Noomi, from Apia to Midway, spend a few days there, and continue on to Seattle.

c.) This activity would help the Monument by ...
allowing me to visit this fragile ecosystem, witness the effects of marine trash on pelagic birds, and encourage other yachtsmen to "leave a clean wake".

Other information or background: I am an environmentalist. I have conducted research via sailboat in the Galapagos Islands.
