Northwestern Hawaiian Islands Coral Reef Ecosystem Reserve Advisory Council to meet in Honolulu

The Reserve Advisory Council for NOAA's Northwestern Hawaiian Islands Coral Reef Ecosystem Reserve (now part of Papahānaumokuākea Marine National Monument) will meet on Thursday, October 11, 2018 on Oʻahu. The meeting is open to the public.

The Reserve Advisory Council will discuss and receive updates on monument activities and hear briefings on related efforts, including agency updates. A copy of the meeting agenda will be available before the meeting on the RAC website or by calling Nicole Evans, RAC coordinator, at 808-725-5818.

WHAT: NWHI Coral Reef Ecosystem Reserve Advisory Council Meeting

WHEN: Thursday, October 11, 2018

9:00am - 4:30pm

WHERE: Inouye Regional Center, Ford Island, 1845 Wasp Blvd., Bldg. 175, Honolulu, HI

96818, Conference Room 1564

WHO: Twenty-five Advisory Council members representing broad stakeholder

constituencies, including Native Hawaiian, research, conservation, commercial and recreational fishing, ocean-related tourism, education, and state and federal agencies. The Reserve Advisory Council is an advisory body to NOAA's Office of

National Marine Sanctuaries.

Monument staff will be in a blue van at the USS Arizona Memorial commercial vehicle passenger drop off area (1 Arizona Memorial Place, Honolulu, HI 96818) between 8:15-8:30 a.m. and 12:00-12:15 p.m. for members of the public who wish to attend the meeting. A valid picture ID is required for clearance onto Ford Island. Parking is free at the USS Arizona Memorial and nearby Rainbow Marina.

Established in 2000, the Northwestern Hawaiian Islands Coral Reef Ecosystem Reserve Advisory Council provides advice and recommendations on managing and protecting the reserve. Serving in a volunteer capacity, the council members represent a variety of local user groups, as well as the general public.

NOAA's mission is to understand and predict changes in the Earth's environment, from the depths of the ocean to the surface of the sun, and to conserve and manage our coastal and marine resources. Join us on Twitter, Facebook, Instagram and our other Social media channels.
